The new fantasy action RPG, "Elden Ring", is coming to PlayStation 4 from SEGA. The game promises a vast, free-roaming world that flows into and out of intricate dungeons in fascinating ways, and gives you free rein to explore this vast world. In addition, the game is also filled with engaging characters who have their own goals and desires, and will challenge you to engage in dynamic online battles. The image on the top is a screenshot from the game being currently running in development. Character-centered Class Design When you enter the Lands Between, you will encounter a wide variety of other characters. You can simply choose from one of the three classes, such as the Sapper, Hunter, and Monk. • Sapper The Sapper is a heavy-hitting support class designed to clear out the enemies around you. He is effective in close combat situations. • Hunter The Hunter excels in long-ranged combat with an emphasis on stealth. He will not fight unless he can take advantage of his enemies' blunders. • Monk The Monk is a highly skilled wizard who can cast a variety of spells. He has a high combat ability that can be used in conjunction with his spell power. Play Style and Specialization System You will encounter characters that have a wide variety of play styles as well as those who specialize in different fields. This variety will encourage you to explore the world and challenge yourself to reach your maximum potential. You can also change your play style when using new equipment, with various items being added depending on your play style. Regarding the Specialization system, you are given a kind of ideal Play Style by a Specialization Point which you can allocate depending on the equipment you have equipped at that time. Source: Elizabetz Carras was born in Washington D.C. in 1980 and raised in Los Angeles. She graduated from USC with a degree in illustration and moved to New York City in 2004 to become an illustrator at Marvel Comics. Her first professional work was for Marvel's The Avengers comic series. In 2011, she returned to Los Angeles and joined the artist team at Idle Thumbs, where she helped create several well-received webcomics for the site and also began writing and illustrating her first series, Tarnished. She has worked as a co-writer and visual artist for several webcomics and was a co-creator, editor, and artist of the webcomic text adventure Vorkosigan Saga based on Lois McMaster Bujold's Vorkosigan series. In 2015, she joined forces with Matt Forbeck to launch a new webcomics line called The Elden Ring. In October 2015, they launched a Kickstarter campaign for an Action RPG called Elisabeth Carras: Elden Ring. The campaign was a success, with over \$99,000 raised. In 2016, she launched a second Kickstarter campaign for a tabletop RPG called The Elden Ring: Sword of the Stars. This campaign also met its initial goals, ultimately raising \$230,000. As of June 2017, over \$35,000 has been raised by the Sword of Stars project. Both campaigns were successfully funded in just under 24 hours.
